September 2017 Board Meeting

The usual reports were read, discussed and approved. After discussion last month about placing funds in a CD Jan met with the bank to transfer funds. The bank suggested a preferred savings account which would give the same interest and no penalty for withdrawal, the board agreed to place the funds in a preferred savings account.

The Board approved the application of Therese Linart-Smith for membership.

The Brunch on the Bay was very well done but because of the chilly August weather we ate inside looking out at the Bay. Thank you to Linda Norton for hosting this event.

Because of the pending retirement of Jan from the house manager's position a House Committee has been formed. The committee is Linda Norton, Linda Baker, Mark Smith, Walt Jacquemin, and Sue Brown. The job description will be reviewed by the committee and plans for a replacement for Jan will get underway. If you are aware of anyone who might want the position please let one of the committee members know.

The end of the year is fast approaching and there are 3 board members rotating off. A nominating committee will be needed as well as candidates to run. Please consider stepping up and running for the board. There is only one meeting a month and if the new bylaws pass you would be able to attend the meeting electronically so it would not hinder your ability to serve if you spend winter someplace warmer.

Yngling Report

Racing is winding down and boats are being taken out of the water for the winter. Hopefully there will be

more warm weather this September so the season can be extended a bit.

Shipmates Report

The first dinner/meeting was held Thursday 9/14/17. Plans are being made for the Christmas Party which will be held December 14th.
