**HAPPY SUMMER**

**JULY 2020, NEWSLETTER**

Summer is in full bloom and so are the beautiful flowers at our club, thanks to Tom and Linda Baker, as in the past they supply the flowers and pots as well as tending to them all summer.

Water, well we seem to have a lot of it! We have not had any in the club yet and we sure hope we do not have any. When the wind blows and the waves hit the rocks the splash is a great sight but also threatening, nature in its beauty.

Your AYC Board of Directors have to make sure all of our members are safe and happy. At the same time, we need to follow the government guidelines of safe operation of our club. We have postings in the club as to what we must follow. The Yacht Club is a private club, it is like your home, and as that, you can use the club as such. Lets just say you have some friends that you would like to take to the club, you can still do that. All the club rules that have always been there are still there, with a few new ones. Due to the size of our building we are limited to 30 people in the club at a time.. Only 2 people in the restrooms at a time, again because of size. Mask should be with you and on if other people are in the club, if the group that is in the club all agree to not wear them it is ok. At this time we will not provide bartenders, food servers, or other such staff. You can bring food in and take care of it yourself. If you have any questions please call Jan at 989-884-1141.

The Brown Trout has to be smaller this year and no Art On The Bay, sad thing but it is something that will pass and become a memory. All of our lifestyles have changed, some may think for the better, and others not, but we must try to hold our heads up and move on to a happier time to come.

We sincerely hope all of our wonderful members understand, we as board members do not like having to make such restrictions on our club however at this point it is a very needed necessity. We do not want to lose what we have, and that is, a great and wonderful club and its members.

**WISHING ALL OF YOU GOOD HEALTH AND GREAT SAILING!!!**
