July 2017

July 2017 Board Meeting

The usual reports were read, discussed and approved. The financial report shows the Club to be operating in the black with income from private parties, bar revenue and the fish fry in June. The Great Race turned out to be quite a success. There was a crowd of car enthusiasts watching the arrivals. The drivers and navigators only had a 45 minute turnaround time before they had to be back on the road; many of the drivers were in awe of our beautiful view.

If you are interested in having a membership list please contact Jan Mansfield, she will email the list to you. Jan would like everyone to know how much she appreciates finding the Club well taken care of after parties and events.

During Greg Resnick's Yngling report he reminded us that 4 boats are headed to the North American Youth Yngling Championship in Sakonnet, Rhode Island August 3rd through the 6th. The North American Yngling Championship boat and crew and the North American Youth Yngling Championship boat and crew will be defending their titles. We wish them luck, we would like to keep that trophy on the Club wall another year.

Greg mentioned appreciation for past monetary support for the Youth Sailing Program; the board voted to donate \$1000 to the program again this year.

The board would also like to thank Tuffy Cross and Tom Baker for power washing the grill area again. The spiders seem to be tenacious this year! It is nice to have it clean again.

There was discussion about the By-Laws changes which the committee wrote last year. The changes were emailed out to the general membership last year but the question for vote was not added to the ballot. We will again mail out the changes to the general membership and make sure the question is added to the ballot this year.

Dates to Remember:

July 28: Red Solo Cup Party, see attached flyer for details

August 4th: First Friday (am I really already writing August?)

August 8th: Board Meeting 7:00PM

August 10th: Shipmates Cook out

August 27th: Brunch by the Bay (info to come)

Thank You!

Tuffy and Bonnie Cross want to make sure that everyone who helped at the fish fry knows how much their help was appreciated. If you didn't get a chance to join us the fish was mouth watering! The Crosses raised \$1030 for the Club. The Board wants them to know how much we appreciate their efforts every year. (Take a peek at the pictures Tom took; they are posted on the AYC Website.)
